

Understanding Tuition, Fees & Billing Procedures at AXIS International Academy Preschool

Annual Deposit & Registration Fee

AXIS charges an annual (once per school year) registration fee for Prekindergarten and Preschool of \$85. This must be paid in addition to an annual deposit that secures a student’s enrollment seat for the upcoming school year. The annual deposit is set at a half month’s tuition. Please see the table below for details.

| | |
|--|----------|
| Prekindergarten 2025-26 Enrollment Deposit | \$625.00 |
| AXIS Annual Preschool Registration Fee | \$100.00 |
| Total Initial Deposit Payment..... | \$725.00 |

Tuition Schedule & Payment Due Dates

AXIS International Academy charges annual school year tuition from August through May. Tuition covers the Monday – Friday 8:00 AM – 3:10 PM school day. Families who wish to participate in before school care and after-school care are responsible for additional fees. Before and after school care hours and rates can be found at <https://www.axiscolorado.org/explorercare>.

Annual preschool tuition is divided evenly across all 10 months of the school year, **August through May**, regardless of breaks, holidays, or student absences. Tuition for the month is due on the first of the month and must be paid through the Kangarootime billing and payment platform.

| | |
|---------------------------------------|-------------|
| Prekindergarten Annual Tuition..... | \$12,500.00 |
| Prekindergarten Monthly Tuition | \$1,250.00 |

****These rates do NOT reflect Universal Preschool Colorado (UPK) payments. Each family will receive tuition worksheets that break down the final cost of tuition with UPK funding applied to their account. AXIS reserves the right to adjust billing based on the finalized structure of UPK funding and payments for the 2025-26 school year. Families who qualify for UPK can generally expect to pay 50% or less of the published tuition.***

Tuition Payment Procedures

All tuition payments are processed through the online Kangarootime billing system. This is our attendance and payment software, so families need to download the mobile Kangarootime app. This app will allow easy electronic payments and is also necessary for daily check in and check out for our preschool and prekindergarten students.

You can download the mobile Kangarootime app and find step-by-step tuition payment instructions at <https://www.axiscolorado.org/apps/pages/KTConnectDownload>.

Tuition Payment Options

We strongly recommend that families set up ACH or electronic checking in Kangarootime. This method avoids the 3% service fee charge that applies to all credit card payments. Families can also set up automatic payments (autopay) for the first of the month. Please note that if autopay is not set up at least 3 days before the first of the month it will not automatically pay for that month's tuition.

If you are using a savings vehicle such as a dependent care account to make payments for your student's tuition, please notify and work directly with business office manager, Ashley Byers to get that set up. She can be reached at abyers@axiscolorado.org.

Monthly Statements

Monthly tuition and billing statements are generated on the 24th or 25th of the prior month and are due on the first of the month. For example, October tuition is billed on September 25th and due on October 1st. These statements are sent directly to families via the Kangarootime mobile app where they can be viewed and paid.

Billing statements break down charges on a line-by-line basis. Here you will see any deposits applied and UPK or sibling discounts. These are available in the Billing screen on the KT Connect app.

Before & After Care Billing

Families who utilize before and after care through AXIS Explorer Care will receive separate monthly billing statements through the Kangarootime app. These services are billed and collected separately from AXIS International Academy Preschool monthly tuition.

Explorer Care is billed in arrears for services scheduled and rendered. For example, October before and after care is billed in the last week of the month and due on the 1st of November.

Late Tuition Policies & Fees

After an initial 3-day grace period from the first of the month, late tuition payments will incur a \$25 late fee. Continuous failure to make payments on your account will result in loss of attendance privileges at before and after care and/or regular school days at AXIS International Academy Preschool.

If you have questions or need to set up a special payment plan, please contact our business manager, Ashley Byers at abyers@axiscolorado.org or 970-658-4199.
