How does Universal Preschool Colorado (UPK) work?

All students who are 4 years old by October 1 will qualify for 15 hours/week of UPK funding, and those meeting certain qualifying factors could qualify for 30 hours/week. After a family completes their UPK application and matches with AXIS International Academy, UPK funds are paid directly to the school on a monthly basis. UPK applications can be completed at upk.colorado.gov.

UPK Funding Level	Estimated UPK Monthly Payment	Estimated Monthly AXIS Tuition with UPK Applied
15 Hours/Week	\$610	\$740
30 Hours/Week	\$1,090	\$260

CDEC usually does not make the UPK rate official until late July. This is an estimate based on last year's rate. For questions about your family's level of UPK funding, please contact Early Childhood Council of Larimer County at upk@ecclc.org.
